Summary: Per original SB-13 and Senate Sub HB 2104 and then K.S.A. 79-2988 as amended by 2022 SS for HB2239 requiring local taxing entities to complete additional budgetary steps if they exceed the Revenue Neutral Rate (RNR), as calculated by individual County Clerks. On July 20th the district sent the required Notice of Intent to Exceed the Revenue Neutral Rate to the Shawnee County Clerk's office. The Shawnee County Clerks Office in turn sent the required notices to all property owners within the districts boundaries. The RNR was published in the Topeka Metro News on Monday August 21st, 2023, thereby meeting the 10-day publication requirement prior to the hearing date. District Administration advises, after hearing and answering any questions or objections by taxpayers concerning the RNR, that **the Board, in a separate Action Item, incorporate and adopt by Resolution 24-003 the Exceeding RNR for the 2023-2024 budget as presented.**
