

*Applying for scholarships through the*  
**CENTRAL KANSAS COMMUNITY FOUNDATION**

We are excited to announce the 2017 Central Kansas Community Foundation scholarship cycle for High School seniors and college students. This year all applicants will apply online using scholarship software linked to our website <https://centralkansascf.org/>

Each scholarship fund has its own unique criteria including academic, financial need, educational and career goal and community involvement.

On our website, under the button “Apply” select “Scholarships” from dropdown, you will find a 2017 Scholarship Calendar which details opening and closing dates for specific scholarships. Regional scholarships are listed as well. Applications will close at **5 pm CST** on the date specified. **NO EXCEPTIONS** will be given after the closing date. Feel free to post or circulate this to students as you deem appropriate.

You may find a complete step by step tutorial on completing an application helpful. More instructions are available at <http://support.communityforce.com/knowledgebase/1-completing-an-application-form-on-communityforce-system/>

If a student is applying for several scholarships with CKCF software they can duplicate the application. Those instructions are found in the tutorial I mentioned above.

Please encourage your students to view “**Tips for a Successful Scholarship Application**” located on the website prior to submitting.

We are excited to continue our commitment by “Building Stronger Communities through Charitable Giving” and to improving the quality of life for generations to come. I look forward to working with you this year!

During the open period, I will be available for technical support if any students should need it during the following days and times, Tuesday 4-7, Friday 1-3 pm and Saturday 10 am – 12 noon. I can be reached at 620-217-1196 from **Feb 20 through April 21, 2017.**

**If you have questions or need further information, please contact me at:**
